

Mohawk Avenue School

...on the path to success

January
2017

Welcome back from vacation! I hope everyone enjoyed the time off! Hard to believe that we are now in the second marking period which ends on January 27, 2017.

Character Education

We start off the New Year at Mohawk Avenue School with citizenship being the focus for Character Education. The students will learn to do their share to make their school and community better, cooperate, be a good neighbor, obey rules, respect authority, and protect the environment. We will all wear purple on January 20, 2017.

Science Fair

January 18, 6-8pm

Please join us for a fun and interactive evening. We will be celebrating the scientific work of the third grade students.

PARCC

The third grade students will be taking the PARCC Test (Partnership for Assessment of Readiness for College and Careers) this spring. Please note that PARCC testing will be from May 8-19, 2017.

Please plan accordingly and avoid absences during these days.

Have a happy and healthy 2017!
