

Mohawk Avenue School

...on the path to success

June
2017

Character Education

For the month of June we will focus on fairness for our character education trait. Throughout the month the students will learn to play by the rules, take turns and share and be open-minded. The school will wear rainbow colored clothing on June 9th.

Band/Chorus/Strings

We had a wonderful visit from the fifth grade band, chorus and strings. The students got to hear all the different instruments and learn about each one. Information will be sent out via Genesis regarding instrument selection and chorus. There will also be two registration packets coming home with the third grade students.

PTO

Special thanks to the PTO for all they did to help make this school year a successful one! The entire staff appreciates your efforts and thanks you for the hours you spend volunteering to help out in the school!
